Water Study Committee Meeting Minutes

Roger Hinrichs opened the meeting at 5:30 pm and read the affidavit of posting.

Rick Painter approved the minutes Roger Hinrichs seconded.

There will be a new email made for receiving and sending information to those who have signed up for the testing.

Howard Pahl brought in a map with the sights for well tests that are known so far pinned. It was impressive.

Free testing will not be done for reasons of fairness to those who do pay for the test.

Next meeting date will be Thursday March 11 at 5:30.
